CHAPTER 1 Once upon a time ...

Once upon a time, there was a beautiful princess. Her name was Princess Fiona. The King and Queen of Far Far Away loved her very much.

But at night Princess Fiona was an ogre!

The King was frightened. 'What can we do?' he asked the Fairy Godmother.

'I'm going to take her to a dark castle!' said the Fairy Godmother. 'She can wait there for Prince Charming. One kiss from Prince Charming – and Fiona's a princess and not an ogre!'

Princess Fiona went to the dark castle. The King was very sad.
