

'Ella'

Colour in
your glasses
and add some
sparkle!

With the
help of an adult,
carefully cut out the
glasses and wear
them to the ball.

'Ella'

- 1 Colour in your character! Make them as colourful as you like!
- 2 With the help of an adult, carefully cut along the dotted lines around your character and the box below it.
- 3 When you've done that, turn the paper over and put a dab of glue on the end of the one of rectangles (where it says 'glue' here).
- 4 Stick this to the other end of the rectangle, creating a ring. Make sure that your character is facing outward and make sure you leave enough room to fit your finger!
- 5 Make as many as finger puppets as you like so you have lots to play with and recreate the story of Ella!

Can you give ELLA an outfit fit for the Grand Bug Ball?
