STONE AGE**

The cave people

The cave people are from the Stone Age. They lived a long time ago.

The teacher

Emma

Tim

Emma lives many years from now.

Emma's teacher has got a time machine!

This cave boy is one of the cave people. He does not understand things from other times.

Before you read ...
What do you think? How are Tim, Emma and the cave boy going to meet?

This is **Tim**. His friends from school want to learn about the Stone Age at the museum, but this isn't interesting to him.
