## Better than a video

Use this sheet to plan your printed or multimedia book pages. Remember to make your work informative and exciting!

An explanation of \_\_\_\_\_

Number of pages \_\_\_\_\_

**Plan the content and sequence of your text by drawing and annotating a flowchart here:**

**What design ideas do you have?** (Fonts, colours and so on.)

**What visuals will you include?** (Diagrams or pictures – close-ups, long distance shots, cross-sections.)

**What other features will you add?** (For example, graphics, 'amazing fact' boxes and, for multimedia pages, hyperlinks and audio.)
