

## The 'ly' suffix

# Create the adverb

Adverbs are often made by adding **ly** to an adjective.  
If the adjective ends in **y**, the **y** is changed to an **i** before adding the **ly**.

A quick paint.

She painted the wall quickly.

■ Write a short sentence for each of the actions. Add **ly** to the adjective (the bold word) to make your adverb.

Phrase with adjective	Use the adverb
an <b>immediate</b> cry	She cried immediately when she hurt herself.
a <b>sudden</b> flash	
an <b>angry</b> shout	
a <b>sweet</b> smile	
a <b>quick</b> jump	
a <b>strong</b> swim	
a <b>creepy</b> look	
a <b>quiet</b> whisper	
a <b>sharp</b> turn
