

Gold Team Nonny

1. Skim-read the whole book looking for information about Nonny.

<p>How does she feel at the start of the story?</p>	<p>How does she feel when she is watching the others play 3D?</p>
<p>How does she feel when she is finally accepted into the team?</p>	<p>How does she feel at the very end of the story?</p>

2. Draw a line graph to show how Nonny feels at these different points in the story. The start of the graph has been filled in for you.
