WORKSHEET WIZARD CD ROM

ALL LEVELS

Mary Glasgow Magazines/Clarity

This unique great value resource on CD-ROM contains a searchable library of over 150 magazine articles and monolingual worksheets in four languages – English, French, German and Spanish. The magazine articles cover a range of exciting and up-to-date topics in the target language, whilst the monolingual worksheets provide practice of key grammar points and skills areas. Search for activities by language area, level, topic or keyword. Furthermore, the easy-to-use Exercise Generator enables you to create instant worksheets from either the articles provided, your own texts or pages downloaded from the internet.

MODERN LANGUAGES

Teaching mixed-ability classes is a fact of life for most modern language teachers, and these materials are designed to address this challenge. Activities within topic areas are graded by level, allowing students to work at their own pace. All titles place an emphasis on coaching students in skills strategies and exam technique.
