Clarification

The text patrol
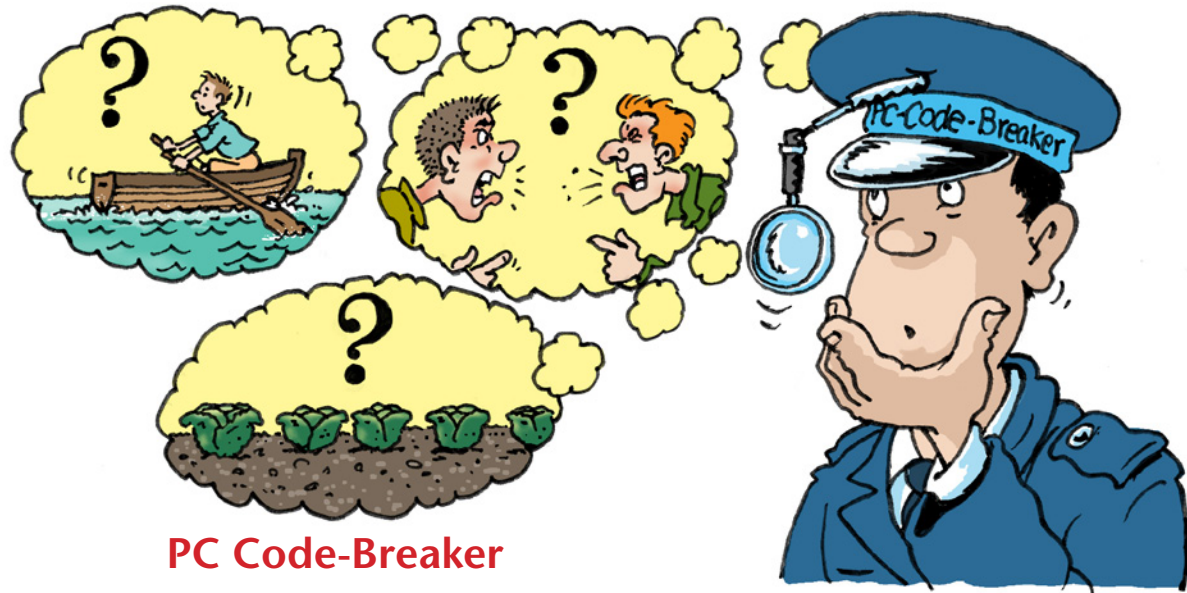

Sometimes words look the same, but they have different meanings.

My job is to patrol the text and work out the words I can't read or understand.

It was a long **row.**

Let me tell you what to do
If you're stuck on a word that's new
Read the sentence to the end,
Look for the context and read again.
The word you need will soon appear
Making its meaning very clear.
