

# Make it wrong

Read the definitions and write the matching words that begin with the prefix **mis**. The underlined parts of the definitions give clues to the answers.

**Example:**

Something that doesn't fit.

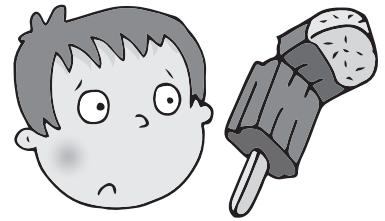

misfit

Something that doesn't match.

Something that has the wrong shape.

Give wrong information.

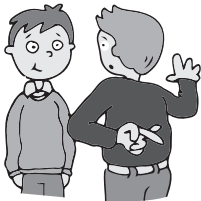

Behave badly.

Bad luck (bad fortune).

Lead someone to believe something that is wrong.

A mistake in print.

Give wrong directions.

# Pull it apart or make it wrong

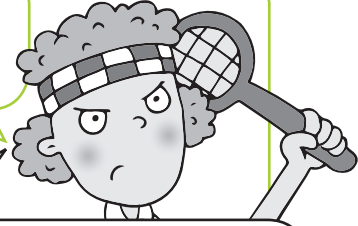

Change each person's speech so that they use a word beginning with **dis**. Write your answers in the speech bubbles.

I don't like cabbage.

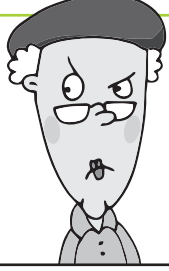

I dislike cabbage.

He didn't have the advantage.

\_\_\_\_\_

I don't approve of that.

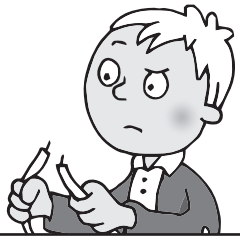

\_\_\_\_\_

It is no longer used.

\_\_\_\_\_

He broke the connection of the wires.

\_\_\_\_\_

They did not agree.

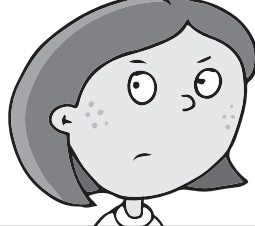

\_\_\_\_\_

I don't believe what he said.

\_\_\_\_\_

He is not honest.
