# MUHAMMAD ALI 1942–2016

Muhammad Ali was the world's greatest boxer. But he didn't just fight inside the boxing ring. He fought outside the ring too, for better lives for black people.

Cassius moved to Miami, Florida, in 1962 to train with Angelo Dundee. They worked together for 21 years.

Born in 1942, Cassius Clay lived in Louisville, Kentucky, until he was 20 years old.

After Cassius met Malcolm X, he changed his name to Muhammad Ali.
