

**Q: What are comedy classics?**

**A:** Comedy classics were written years ago, but still make us laugh today. These might be plays, recordings, TV shows or movies. If you see a comedy classic, you may laugh at the things your grandparents laughed at!

The Marx Brothers (pictured below) were successful comedians from 1905 to 1949. Their humour is still popular today. They are true comedy classics!

*"I find television very educating. Every time somebody turns on the set, I go into the other room and read a book." —Groucho Marx*

*"I've had a perfectly wonderful evening. But this wasn't it."  
Groucho Marx*
