TO PLAY: Ask someone to pick a colour, let's say they picked RED. Whilst spelling the word RED out loud move your fingers and thumbs together and apart once per letter, for example R - thumbs and fingers together, E - thumbs and fingers apart, D - thumbs and fingers together. Show the person the four numbers that are showing on the inside and ask them to pick one. Then again move your fingers and thumbs together and apart counting up to the number they selected. Again show the person the four numbers that are on the inside, this time take out your fingers and unfold the flap of the number they chose to reveal which Barry Loser character they are!
