- Use these cards with 'Fairy-tale cards (2)' to write a fairy tale. Shuffle the two packs ('Meetings' and 'Finds') and select one card from each pack.
- Make up a story using the two cards.
- Tell the story to a friend or relative, then write it down. Tell the story in the first person (I). Extend the story, if you wish, by choosing another 'Meetings' card.

**Dear helper**

**Objective:** To write an extended story.

**Task:** First encourage your child to tell you a story. Then, ask questions to stimulate further ideas before your child writes the story down.
