

## Mr Speed's class

- Choose a pupil from Mr Speed's class (or write your own worry below).
- Plan a story about their worry using the story planner.

**Name:** Jodie

**Worry:** I'm new to the school and it's the middle of term. I don't know my way around or where anything is. Everyone is in groups of friends and I feel very lonely and confused.

**Name:** Ben

**Worry:** I live with my mum and my little brother, Sam. Dad left home and mum has to work in the supermarket in the evenings and at weekends. I am left at home looking after Sam and have to do all the chores. I wish I could be out playing with my friends. I want to help Mum and my family but I want to be a kid too!

**Name:** Toni

**Worry:** Last night my friend and I were playing football and we broke a pane in old Mr Digby's greenhouse. We should have owned up then but now it's too late. We are so scared of being in real trouble.

**Name:** Sally

**Worry:** I copied my friend's maths because I was too embarrassed to admit that I was struggling and now I can't do any of the work in class. It's getting worse and worse!
