

STORM HAWKS™ Best Friends Forever

The Storm Hawks are looking through the Cyclonians' rubbish.

Let's see what's here ...

Hey! Yorga Juice!
I love Yorga Juice!

I want to go back
to the Condor!

A storm is coming.
Let's go now!

One minute ...
What's this?

The Cyclonians are
doing something here!

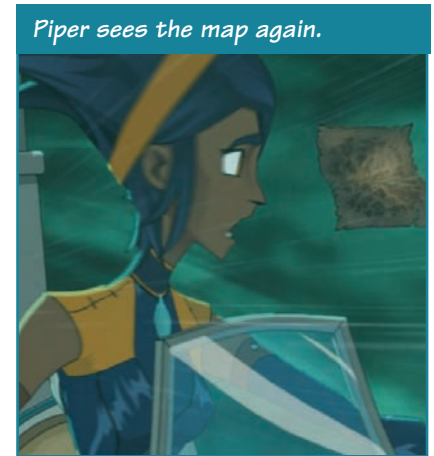

The map flies away in the
storm.

Oh no!

This is a bad storm.
Let's fly!

Piper sees the map again.

You go to the Condor!
See you there!

I've got it!

This storm is
dangerous!
