

Section 1: Using good examples

MAKING SCIENCE FICTION

5

Visit distant planets. Print word pictures of these strange settings!

4

Computers, droios, spaceships and new technology are important. Use the special words!

3

Your characters will need names, strange aliens have strange names!

2

Space travel will take you to distant planets but what will happen on the way?

1

Remember you're on a mission. Make it a success!
